

Introducing the

NEOED APP

N

Take NEOED'S industry-leading solutions with you wherever you go with the NEOED app. **The app integrates with our entire product suite**, giving you the freedom to use your current NEOED desktop solutions on your Android or iOS device.

COMPLETE CRITICAL HR TASKS ON THE GO

With NEOED on mobile, you no longer have to be stuck at your desktop to complete day-to-day HR activities. **View, access, and distribute important information to your team from anywhere.**

- Dashboard keeps your important tasks organized
- Approve performance reviews and evaluations
- Keep your team up to date with announcements
- Assign and track training

SPEED UP HIRING AND ONBOARDING

Reduce time to hire by quickly viewing and taking action on requisitions in the NEOED app. Empower new employees by giving them the ability to easily complete onboarding tasks.

- Rate and track candidates quickly and efficiently
- Onboard portal for new hires to complete forms
- Easily view and review requisition details
- Track the progress of new hires
