

Introducing the

NEOGOV APP

Take NEOGOV'S industry-leading solutions with you wherever you go with the NEOGOV app. **The app integrates with our entire product suite**, giving you the freedom to use your current NEOGOV desktop solutions on your Android or IOS device.

COMPLETE CRITICAL HR TASKS ON THE GO

With NEOGOV on mobile, you no longer have to be stuck at your desktop to complete day-to-day HR activities. **View, access, and distribute important information to your team from anywhere.**

- Dashboard keeps your important tasks organized
- Approve performance reviews and evaluations
- Keep your team up to date with announcements
- Assign and track training

SPEED UP HIRING AND ONBOARDING

Reduce time to hire by quickly viewing and taking action on requisitions in the NEOGOV app. Empower new employees by giving them the ability to easily complete onboarding tasks.

- Rate and track candidates quickly and efficiently
- Onboard portal for new hires to complete forms
- Easily view and review requisition details
- Track the progress of new hires

THE POWER OF HRIS IN YOUR HANDS

Access the time-saving benefits of the HRIS module from your mobile device. Manage your fundamental administrative HR needs and **allow employees to utilize the self-service system** to speed up time-consuming manual processes.

- Access pay stubs and update personal profiles
- Manage core HR processes and employee benefits
- Track time and attendance
- Check progress of team member's tasks
